

Trainee Building Inspector

Job Description and Person Specification

Directorate:	Communities	Service:	Building Control
Responsible to:	Principal Registered Building Inspector	Responsible for:	None
Grade:	4 – 5		
Location:	Civic Centre, Poulton-le-Fylde		

Job Purpose:

To contribute to the provision of the Building Control service.

To actively participate in structured training or supervised work to become a Registered Building Inspector (Class 2)

Key Tasks & Responsibilities:

To assist in the day-to-day running of the section including the carrying out activities under supervision in both the academic and workplace environment.

To maintain adequate manual and electronic document management systems and data records.

To use IT products to record and process information.

To assist senior staff in the performance of their duties associated with Building Regulations, demolition, dangerous buildings and other secondary functions.

Offer reasonable assistance to enquiries for information and advice and requests for site inspections.

Following adequate training, undertake checking of plans and inspection of work on site for small domestic projects.

To undertake any other duties which are appropriate to the tasks, responsibilities and grading of the post.

Additional tasks and responsibilities as competencies develop:

Under appropriate supervision, examine plans submitted under the Building Regulations for compliance, or otherwise, with the appropriate legislation.

Under appropriate supervision, undertake site inspections of work in progress in order to determine the compliance, or otherwise, with the Building Regulations and allied legislation.

Under appropriate supervision, meet applicants, agents, developers or any interested party to discuss areas of non-compliance of submitted plans and details or work under construction.

To keep clear and accurate records of all inspections made and matters arising.

To liaise and consult with other departments and bodies as required by statute or where a common interest applies.

To provide professional advice on Building Control matters to the general public, applicants and their agents.

To raise invoices and check fee payments for work carried in connection with Building Regulation applications.

To take part in any marketing and promotion activities carried out by the section.

To inspect and report on suspected dangerous buildings or structures and take appropriate action.

To process and respond to notifications of intended demolition.

To ensure that the above activities are undertaken in accordance with Council Policy and general guidelines laid down by the Principal Registered Building Inspector.

Corporate Responsibilities:

The postholder will be expected:-

- To adopt a flexible approach to changing patterns of work and undertake such other duties as are consistent with the job purpose and grade of post.
- To promote best practice in meeting the requirements of Health and Safety legislation and Council policy, and comply with other relevant statutory legislation.
- To carry out duties in accordance with the Council's policy on equality and diversity.
- To accept that everyone has a right to their distinct identity, treating everyone with dignity and respect and ensuring that what our customers tell us is valued by reporting it back into the organisation.
- To provide quality services that are what our customers want and need, giving customers the opportunity to comment or complain if they need to, working with them to identify what needs to be done to meet their needs and informing managers about what customers say in relation to the services delivered.

- To develop oneself and others making every effort to access development opportunities and contribute effectively by participating in the Council's performance management scheme.
- To be responsible for Data Quality.
- To demonstrate a high standard of probity in the use of council resources and where a nominated budget holder manage spending within available resources.
